INVESTMENT DEALERS

ESTABLISHED 1897

"The investment community knows and respects us for our sound in-depth economic and industry research.

★ ★ ★

"Tax shelters aren't for everyone. But for those of our clients who need them, we know them.

★ ★ ★

A good Stock and Bond Trading Department requires people who are, above all, efficient and experienced. And Deacon, Hodgson has them. Our eight professional stock traders have, among them, 108 years of experience with Deacon, Hodgson. And we back them up with over a million dollars of capital committed to our trading operations. This enables us to provide the best trading executions for our clients, and equally important, help maintain liquidity in the market place.

Our institutional department has built its success on the twin foundation of good investment ideas and the capacity to execute them.

★ ★ ★

Our Corporate Finance division participates in many banking and selling groups.

★ ★ ★

Deacon, Hodgson is a major distributor of fixed income securities, indluding Government of Canada, Provincial and Corporate issues. In addition we maintain active secondary markets in these areas.

We are strong believers in the importance of bonds as a major source of funds in the Canadian economy, now and in the foreseeable future.

We are also members of "Euroclear" and through this are actively involved in the Eurobond market.

Our money management services are geared to both the corporate and the individual investor.

★ ★ ★

"Put & Call Options is an area of growing interest for us and for our clients.

★ ★ ★

Foreign Investments have been an active interest of Deacon, Hodgson for many years. Our European investment activities are substantial, and we maintain close daily contacts with England, Switzerland, Germany, Austria, and on the other side of the world, Australia. For twenty years in fact, we maintained an office in Germany. We are proud of our short-term trading expertise. And foreign investments of special interest to us include Petro-Bonds and South African Golds.

The sound business principles of the founders: diligence in research, caution in counselling and personal concern for clients, are as applicable today as they were over eighty years ago.

INTRODUCTION
and GENERAL INDEX

Might Directories, publishers, present to subscribers and the general public, this, the latest edition of the Metropolitan Toronto City Directory.

Confidence in the growth of Metropolitan Toronto's industry, population and wealth, and in the advancement of its civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting Metropolitan Toronto to the world.

The enviable position occupied by Might Directories in the estimation of the public throughout the country, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty co-operation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Metropolitan Toronto Directory will fulfill its mission as a source of authentic information pertaining to the city.

THREE MAJOR DEPARTMENTS

The three major departments are arranged in the following order:—

I. THE BUYERS' GUIDE AND CLASSIFIED BUSINESS DIRECTORY constitutes the first major department of the Directory, printed on yellow paper, it represents advertising at its best, and lists the names of the more progressive firms and individuals arranged in alphabetical order under appropriate classified headings to further describe their products or services.

II. THE ALPHABETICAL LIST OF NAMES of residents and business and professional concerns is the second major department printed on white paper. This Directory aims to show the name, occupation and address of each adult resident of Metropolitan Toronto and the name, official personnel, nature and addres of each firm and corporation.

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE, on green paper, is the third major department. In this section the streets are arranged in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of owner occupied homes and the designation of telephone numbers following the name of the householder and/or firm as furnished us on our canvass.

MUNICIPAL PUBLICITY

The Directory reflects the achievements and ambitions of the city, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site and as an educational centre. To broadcast this information, the publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Metropolitan Toronto.

Respectfully, The Publishers

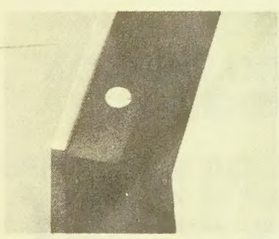
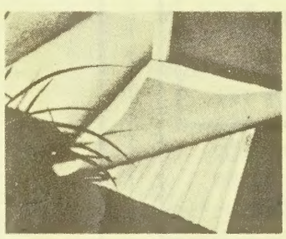
Hold-Up Alarms

The Chubb System is Flexible.

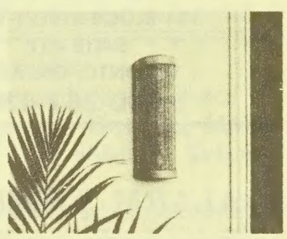
It can provide the exact type of detection required to meet a variety of potential hazards.
Burglary • Fire • Medical Alert • Emergency Maintenance



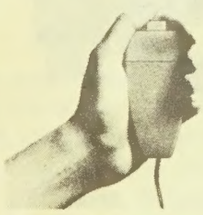
Door Contacts—Concealed magnetic contacts—installed "flush" to be invisible while door is closed, but which can trigger the alarm if door is opened.



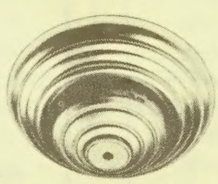
Floor Mats—Floor mats—installed under the broadloom which can activate the alarm if stepped on by an intruder.



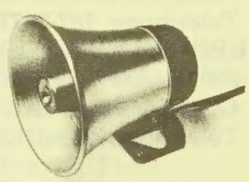
Motion Detectors—Motion detectors—using the established principle of high frequency inaudible sound waves, which can detect the presence of a burglar in specific areas of the house.



Panic Buttons "Panic" buttons—installed in bedrooms (or anywhere in the house). A simple push activates the alarm. Can also be used as a "Medical Alert" to summon specialized medical help.



Heat Detectors—Heat detectors located on ceilings in strategic areas, especially in the kitchen and furnace room, which respond to the heat of fire and signal an alarm.



Electronic Siren—Designed to awaken occupants when a heat detector is activated. Can also be programmed to sound in the event of intrusion or other emergency.

ORANGE
Who needs it?

Who needs patriotism? Or faith? Or a sense of loyalty? Who needs dignity? A sense of responsibility? Civil and religious freedom? Who needs The Glory of God, the Welfare of Man, the Honour of The Sovereign, and the Good of our Country? You do! We all do. And that's why we all need Orangeism!

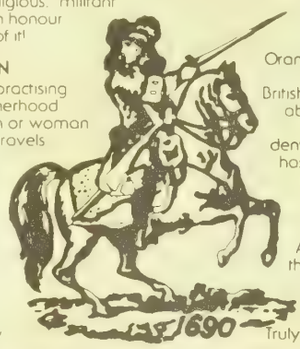
AN ANCIENT AND HONOURABLE ASSOCIATION
Orangeism—simply stated—is organized Protestantism. It was founded in Canada early in 1800. But goes back to 1689 when the Throne of England became Protestant—which it remains to this day. Ancient? Of course! Honourable? Well, if a sincere and dedicated fraternity have remained together all these years in common religious, militant political and fraternal bonds, then honourable we are. And proud we are of it!

A FRATERNAL ORGANIZATION
We like to think we're a family—practising love and mutual support of brotherhood within the Order. An Orange man or woman has a friend wherever he or she travels.

PRESERVES AND DEFENDS THE LAW
The Loyal Orange Association does not make its own laws. We profess our loyalty to the Crown and to maintain the laws and constitution of Canada. We promote an open Bible, absolute religious freedom, and the widest measure of civil liberty.

RESPECT FOR MANKIND
The Christian way is a way of charity and assistance to those who are needy and oppressed. It's a way of friendliness and brotherly love. It's honesty and tolerance. To be of The Orange Order, one must believe in and practice Christianity.

OUR VOICE IS HEARD
To be of The Orange Order also means to be concerned with problems of language rights and threatened educational systems; with the preservation of the Monarchy; with republicanism inroads and with attempts to bring discredit upon our Canadian-British heritage. And to be concerned about any deterioration of Christian ideals. So, we raise our voices in social and political and religious arenas around the world. And we are heard!



LIFE INSURANCE SYSTEM PLANS FOR THE FUTURE
Orange Insurance, otherwise known as The Grand Orange Lodge of British America Benefit Fund, is available to all members of the Order and their spouses and dependent children. It began in 1881, and has since grown into a contemporary insurance system including Growth Plans for minors, and Family Plans providing one-policy protection at a low rate. And since policyholders share in the profits, Orange Insurance has credited their policies with over two million dollars of bonus additions in the last ten years! Truly a "fraternal" insurance system!

ORANGEISM - you need it!

A MEMORY
IS GOOD
BUT
A DIRECTORY
IS
BETTER!

IT PAYS

to be

Prominently

Displayed

To let people know **who** you are, **where** you are and **what** you have to sell. The City Directory keeps your name before the public 365 days in the year, and it cannot be prominently displayed in any book so **constantly** used as the City Directory.

MEASURE UP

FITNESS FOR THE 80's
BODY FIRMING AND TONING
WITHOUT EXERCISE

No sweat! After hundreds of sweaty hours in the gym, many people still haven't achieved the firmness and tone they had expected. Exercise today doesn't have to be a boring, exhausting, muscle-wrenching chore. At Measure Up we will flatten your tummy, firm your thighs, tighten your buttocks and eliminate your "spare tire" faster and easier than you ever thought possible. All you do is relax, as our custom designed Measure Up machines stimulate muscle groups that have long been neglected.
EG: A typical ½ hour on the abdominal area will provide the equivalent of 1800 sit-ups.

Call for complimentary treatment and consultation.

A PROGRAM FOR MEN AND WOMEN

Our specially trained personnel, under the supervision of licensed technicians will design your individualized firming plan — based on your body type and problem areas.
The sensation of effortless exercise creates a relaxing feeling as it goes to work — strengthening and reeducating your sagging, atrophying muscles.

Come in. Relax.
Let us do the work.

JOIN THE REVOLUTION!

Is your organization progressive and image conscious? If so, the Photo Card is almost a mandatory replacement of the plain non-message business card.

The Creative Business Card Company, a solely Canadian owned enterprise, plans to revolutionize the standard mortuary type business card.

The major appeal to our cards as an advertising tool, besides its extremely low cost, is that it can be tailor-made to suit every need.

Promoting a personality, a face, a product or a service, or used as an integrated part of an advertising campaign.

24 HOUR TELEVISION COMMERCIAL AT A FRACTION OF THE COST!

"A PICTURE IS WORTH A THOUSAND WORDS"

Described by it's happy clients as the ultimate pocket sized billboard, the Photo Card is business or postcard size but reproduced photographically as opposed to a lithographic process.

CREATIVE BUSINESS GRAPHICS INC.
1801 Eglinton Ave. West
Toronto, MGE 2H8

HIGHLIGHTS OF THE PHOTO CARD

— Reproduced photographically instead of lithographically.
— Personal consultation as to best image promoting layout.
— Suprisingly low cost.
— Printing available on back of card.
— People talk about them and pass them around.
— "A picture is worth a thousand words."
— The Photo Card stands out like a lighthouse at night over the non-message black and white business cards, those miniature replicas of tomb stones.

We use Kodak paper. For the good look.
